A Note from Reiko Miyaoka

A part of the proof of the main result in my paper "Isoparametric hypersurfaces with $(g, m) = (6, 2)$," which appeared in Vol. 177[1] of the *Annals*, is not correct as written. I am grateful to Uwe Abresch and Anna Siffert of Ruhr-Universität Bochum for discovering this and bringing it to my attention. I have written an erratum, which appears on my website, http://www.math.tohoku.ac.jp/people/miyaoka/publication-ev3.html, and which will be refereed by the *Annals*.
